Company

9. PIC number *

10. Legal entity name *

11. Business name *

12. Under what conditions are you applying? *

☐ SME or Start-up (up to 249 employees)

☐ Small mid-cap (up to 499 employees)

13. I have completed the "self-assessment" and confirm that I am an SME in accordance with Recommendation 361 of 2003. <https://myeic.eisma.eu/> *

☐ Yes

☐ No

14. Legal Address *

15. VAT Number *

16. Website *

17. E-Mail *

18. Phone *

19. Describe your company history, your vision and ambitions. *

Por favor, insira, no máximo, 2000 caracteres

Elegibility criteria

20. Have you concluded a project under the "SIID – I&D EMPRESARIAL – Projetos Demonstradores (Individuais ou Co-promoção)" program within the past five (5) years? *

☐ Yes

☐ No

21. Please provide the identification number attributed to you in the program "Projeto Demonstrador". *

Por favor, insira, no máximo, 2000 caracteres

22. Does the project comply with the "no double funding"? *

☐ Yes

☐ No

The Problem/Market Opportunity

23. Describe the problem you are trying to address from the customer/user point of view. *

Por favor, insira, no máximo, 2000 caracteres

The innovation: Solution/Product or Services (USP)

24. Present the solution; explain how it works in practice, what it changes for potential users, the way(s) in which it is unique, why it has deep tech breakthrough potential, why it is better than existing solutions. Specify which Technology Readiness Level your technology has attained and explain concretely how you have achieved it. Describe to what extent your solution has been validated/certified and by whom. Describe why now is the right time to bring it to the market. *

Por favor, insira, no máximo, 2000 caracteres

Market and Competition analysis

25. Describe how you will create new markets or transform exiting ones. Describe your business model and your target market, explain why customers would be willing to pay, who are the competitors and what are the advantages and disadvantages of your solution. Explain why your innovation will be successful in these markets. *

Por favor, insira, no máximo, 2000 caracteres

Broad impacts

26. Describe and quantify, if possible, the broad expected impact of your innovation on society, the environment and climate, the UN Sustainable Development Goals and on job creation. Refer to any relevant EU policy. *

Por favor, insira, no máximo, 2000 caracteres

Team and management

27. Present your team, including the track record and key competences of the founders and key managers. Explain how you plan to ensure gender balance among your team members, including those in executive positions (at least CEO, CSO and CTO), identify missing skills, recruitment targets and employee retention plans designed to address the identified missing skills. *

Por favor, insira, no máximo, 2000 caracteres

Funding request

28. Please indicate which EIC Support you intend to request *

- ☐ Grant Only
- ☐ Blended Finance
- ☐ Equity-Only

29. Describe your financial needs for grants and investment, explain why you have not been able to raise sufficient investment to carry out the project, and why you need the support of the EIC. Please note that the figures are indicative at this stage, and you will have the possibility to modify this within your full (step 2) proposal. *

Por favor, insira, no máximo, 2000 caracteres

Supporting documents

30. Pitch Deck Link

Make sure your pitch summarizes your proposal, but more importantly, engage us with your story! Convey your message in a compelling manner and persuade us to support your innovative idea. (It should be provided in PDF and not exceed 10 pages)

Please make sure your document is easily accessible through the link you are providing. *

31. Pitch Video Link

Describe your company and your project in a 3 minutes video with up to 3 team members.

Please make sure your video is easily accessible through the link you are providing.

*

Submission

*All declarations have to be agreed when submitting the form

32. We declare to have the explicit consent of all applicants on their participation and on the content of this proposal *

☐ Agreed

33. We confirm that the information contained in this proposal is correct and complete and that none of the project activities have started before the proposal was submitted (unless explicitly authorised in the call conditions). *

☐ Agreed

34. We declare:

- to be fully compliant with the eligibility criteria set out in the call
- not to be subject to any exclusion grounds under the EU Financial Regulation 2018/1046
- to have the financial and operational capacity to carry out the proposed project.

*

☐ Agreed

35. We declare that the proposal complies with ethical principles (including the highest standards of research integrity as set out in the ALLEA European Code of Conduct for Research Integrity, as well as applicable international and national law, including the Charter of Fundamental Rights of the European Union and the Euro Convention on Human Rights and its Supplementary Protocols). *

☐ Agreed

36. We declare that the proposal has an exclusive focus on civil applications (activities intended to be used in military application or aiming to serve military purposes cannot be funded. If the project involves dual-use items in the sense of Regulation 2021/821, or other items for which authorisation is required, we confirm that we will comply with the applicable regulatory framework (e.g. obtain export/import licences before these items are used). *

☐ Agreed

37. We confirm that the activities proposed do not:

- aim at human cloning for reproductive purposes;
- intend to modify the genetic heritage of human beings which could make such changes heritable (with the exception of research relating to cancer treatment of the gonads, which may be financed), or
- intend to create human embryos solely for the purpose of research or for the purpose of stem cell procurement, including by means of somatic cell nuclear transfer
- lead to the destruction of human embryos (for example, for obtaining stem cells) These activities are excluded from funding.

*

☐ Agreed

38. We confirm that for activities carried out outside the Union, the same activities would have been allowed in at least one EU Member State *

☐ Agreed

39. Consent

Your National Contact Point, Enterprise Europe Network (EEN) Members and Knowledge Innovation Communities of the European Institute of Innovation and Technologies (EIT KICs) may be a useful source of information and support in preparation of your full proposal. Therefore, we encourage you to share your data with them.

I consent to sharing the following data with my relevant National Contact Point, relevant EEN Member and EIT KICs:

- basic information about my proposal limited to the name, phone, email of the CEO or person in charge of managing innovation/company, proposal acronym, title, abstract, evaluation result (GO/NO GO).

The data will be made available subject to confidentiality obligations of the NCPs, KICs and EEN members. *

☐ I consent

☐ I do not consent
